First Take A Breather

It's Just Some Rules of Engagement

Guidelines For You

- 1. Minimize Headspace:** Frame your face properly with minimal space above your head.
- 2. Use Your Front Camera:** Ensure you're using the front camera for better framing and focus.
- 3. No Need to Repeat Questions:** Just answer—we'll handle the rest!
- 4. Good Lighting is Key:** Record in a well-lit environment to ensure clear visuals.
- 5. Keep It Quiet:** Avoid background noise for clear audio.
- 6. Duration:** Keep videos under 2 minutes. Please

Note:

We don't expect 4k videos. We don't expect perfect sound just be chill and use the simple stuff

References For You

1. Good headspace makes the job work
2. Portrait/ vertical look so things look straight
3. Stay centred - You're the star of the show
